

Dear colleagues,

Feng Chia University and the Taiwan English Extensive Reading Association (TEERA) are proud to host the Extensive Reading Foundation's 5th World Congress on Extensive Reading on August 9-13, 2019 on the FCU campus in Taichung Taiwan. This four-day event is an opportunity for all those involved in the field of extensive reading--teachers, scholars, writers, publishers, as well as those just curious to learn more--to gather and share ideas. Early Bird registration is open until May 31. Proposal submissions were in excess of 180 and came from 23 different countries, so it's going to be a huge event.

For complete details, please visit the ERF's conference web page: <http://erfoundation.org/erwc5/> Taiwan-based educators can register—at a discount—at: <https://goo.gl/forms/m1UdZgtpa0wlUpip2>. There is also a space on the registration form to ask any conference-related questions you may have. We look forward to welcoming you next summer at this unique educational event.
